

## Camp Walden 2011 Bunk Choice Form

Summer is fast approaching and it won't be long before everyone arrives at Walden singing, laughing and ready to renew old friendships and begin new ones.

Preparations for the summer of 2011 at Camp Walden are well underway. We are excited about the returning and new staff that will be joining us this summer and we are all looking forward to spending the summer with you. Bunk 12 is planning an exciting summer filled with their enthusiasm, creativity, and dedication. In a few weeks the crew will begin opening up the bunks and getting camp ready for us.

As the start of camp gets closer, we hope you are thinking about who you would like to live with this summer. All returning campers in bunks 3,4,5 through bunk 10 may request to live with 4 girls who attended camp last summer that you would like to live with this summer. You may choose no more than 2 girls from your cabin last summer. The other 2 girls must be from other cabins in your age group. We encourage you to list friends you do not see at home as camp is a place to make new friends. We will do our best to honor your requests.
